## **Bargaining Blaze #10**

### Ratification Vote | Meeting Details

---

As many of you know, the final conciliation meeting between USW 2010-01 (Academic Assistants) and the Employer was held on February 2nd, at which time we reached a tentative agreement. Following conciliation, several logistical details needed to be clarified and set in motion.

The Bargaining Committee is now pleased to announce that the tentative agreement will be presented to the members for review and a ratification vote at the following meeting:

**DATE: Wednesday, February 15, 2017**  
**TIME: 12:30pm - 2:30pm**  
**LOCATION: Union Office | 154 Albert Street**

We are still working out some of the final logistics for this meeting and will continue to communicate them to you by email.

We encourage ALL Members to watch their emails for communications regarding the final stages of the bargaining process.
