Bargaining Blaze #2
Conciliation Dates Confirmed
August 11 & 12, 2016

Your USW 2010-01 Bargaining Committee for Academic Assistants is working hard to create a Collective Agreement that is fair to everyone: our Members and the Employer.

The Parties have secured dates with Greg Long, the Conciliation Officer from the Ministry of Labour for August 11 and 12, 2016. During these meetings, we will attempt to come to a resolution with the Employer on a number of important issues.

We remain committed to moving toward a Collective Agreement that respects the value we add to the University.

The coming weeks will be crucial in determining the outcome of the bargaining process. We need our members to be informed of the issues and ready to show their support for the Bargaining Committee to the Employer.

Please watch our [Academic Assistant Bargaining website](#) for updates.
