## **Bargaining Blaze #4**

### Conciliation Negotiations Stalled

**Your USW 2010-01 Bargaining Committee for Academic Assistants continues to work hard to negotiate a Collective Agreement that is fair to everyone: our Members and the Employer.**

**This can't be accomplished if the Employer refuses to engage in meaningful discussions regarding our issues.**

*Talks broke down last week after the Employer failed to respond to our latest proposal.*

**There are a number of important issues that the parties remain unable to narrow-the-gap on. Our main issues are the following:**

- **Wages**
- **Paid Sick Days**
- **Respect for your Bargaining Committee and the Union**
