

Opportunities for Academic Assistants

The new collective agreement for Academic Assistants offers hourly payment for participation in Joint Health and Safety Committees on Queen's campus.

Give back to your local Queen's Community and add this valuable experience to your resume! You will receive your regular hourly wage for participation in a committee.

Currently, we have opportunities available for Academic Assistants on the following committees:

University Administrative Services
Faculty of Arts and Science
Faculty of Engineering and Applied Science
Faculty of Health Sciences

Please visit [Queen's Environmental Health and Safety](#) to learn more about specific committees.

If you would like to participate in a committee, please contact Liza Cote, Chair of USW Health and Safety Committee at liza.cote@usw2010.ca
